PARENT ASSISTANCE.

- The more parent helpers that assist every Friday night, the faster we will get through all of the age groups events, therefore to avoid waiting around for events to commence, we ask that you see your child's age manager, offer your assistance, & contribute to your child's athletics experience.
- It is not too late to join the committee if you are interested. We have positions vacant in the portfolios of coaching coordinator, sponsorship, school liaison, social secretary, equipment, publicity, & general assistants.
- We also require cooks & helpers for our weekly BBQ. This is a major part of our fundraising for the club with the proceeds going towards purchasing our end of season trophies, so it is a very important role.
- If you are interested in assisting with the organisation of BLAC, please contact David Mitchell.
- Remember many hands make light work for all in running our club efficiently.

Yours sincerely,

David Mitchell (President- BLAC).
